requisite fee will lose their student status and will need to apply for readmission to the University and be reaccepted to continue their graduate work.

Leave of Absence

Although the University has a Maintenance of Matriculation requirement for graduate students not enrolled in courses during a given semester, a Leave of Absence may be granted. A Leave of Absence is the process of leaving school temporarily for up to one year, typically for medical reasons. A Leave their gra

While the decision to grant an incomplete (I) to a student is up to each individual instructor, incompletes may be given to students only under seriously extenuating circumstances. Needing extra time to complete course work is not grounds for requesting an

Coordinator. Both the Program Chair and the Internship Coordinator may

4. Formally apply directly to the agency, which may include a specific application, resume, cover letter, and background materials;
5. Correspond with agency prior to internship;
6. Obtain acceptance from agency prior to internship;
7. Complete internship contract with Internship Coordinator prior to internship.

Registration

A student may register for a maximum of three internship credits. Internship credits are applied as elective credits, and additional internship credits will not count toward students' graduation requirements.

Official course registration requires coordination between the applicant, Internship Coordinator and Assistant Dean of Social and Behavioral Sciences (SOBL). Students may register for the internship course only after they have secured the internship and the Internship Coordinator/ supervising faculty member has issued permission to register. The contract must be signed by the student and the Internship Supervisor. The Internship Co

Additional information about internships as well as the application deadlines can be found on the [Social and Behavioral Sciences Internship page](#). Bill McKnight is the MACJ Internship Coordinator and can be reached at William.McKnight@Stockton.edu. His office is located in H-227.

GRADUATE ASSISTANTSHIPS

Graduate assistantships are available on a semester basis. Graduate assistants gain valuable experience and knowledge by working with a faculty member on a criminal justice-related research project.

Eligibility

Students with a minimum cumulative GPA of 3.5

Graduate Education. Students will be notified of the program's decision by late April for Fall assistantships and early December for Spring assistantships.
