Galloway Township, NJ - Each year, Disney hosts the Festival of the Masters, a vibrant, open-air art festival that features nearly 150 award-winning artists. And each year, a competition is held to select a signature design, which is used on all promotional posters, mugs and t-shirts for the art festival. Arnel Platon's design for last year's Festival of the Masters did not win as the promotional signature art, but it did win Gold at the Orlando ADDY Awards this year.

Arnel Platon is the senior production designer at Disney's Yellow Shoes Creative Group, where he is responsible for TV, radio, and print market
