The trail is part of Get FIT @ Stockton, an exercise and nutrition program that helps individuals with developmental disabilities live healthier lives. The program, now in its third year, is a partnership between Stockton, Family Resource Network and The Arc of Atlantic County.

“Dr. Sonaika and her colleagues at the Family Resource Network are true partners with Stockton,” said Bartolotta. “We look forward to continuing our work with FRN to improve the quality of life for all individuals in our community.”

Sydney Sykes was appointed as the student board member of the Stockton Aviation Research & Technology Park. Sykes, a resident of Egg Harbor Township, is double-majoring in Sustainability with an Energy concentration, and Applied Physics; she is minoring in Mathematics.
