Galloway Township, NJ – Tom O'Donnell, Assistant Dean of Students/Veteran Affairs at the Richard Stockton College of New Jersey, has been appointed to a two-year term on Operation College Promise's (OCP) National Advisory Council.

Founded in 2008 by the New Jersey Association of State Colleges and Universities, OCP offers centralized information about programs and services for service members to help them succeed academically.

"I am honored to have been selected on the Advisory Council for Operation College Promise," O'Donnell said. "I look forward to continuing to advocate for veteran and active military students here at Stockton, statewide and at the national level."

O'Donnell helps lead Stockton's Office of Veteran Affairs, which offers a wide range of academic services, activities and events for veteran students, hosts the on-campus Veterans Lounge and works closely with the Stockton Student Veterans Organization.
