Galloway Township, NJ -

First Wednesday lectures are an ongoing series of continuing professional education seminars presented by the Stockton Center on Successful Aging (SCOSA) and the School of Graduate and Continuing Studies at the Health Center at Galloway and on the Stockton campus. The seminars, designed for professionals, para-professionals and other caregivers who work with older adults, are free of charge and offer continuing education credit for successful completion.

The March 6 seminar will include a full breakfast. Upon completion, participants will receive 1 CE for Social Workers, Marriage and Family Therapists, and Licensed Professional Counselors.
