feature a blend of patriotic and traditional holiday music. A 65 member ensemble under the direction of Keith W. Hodgson, and the 50 plus member Percussion Society, under the direction of James Grant, will premiere a special work entitled "A Christmas Medley."

On December 7, sixty eight years ago, the Japanese attacked Pearl Harbor. To mark Pearl Harbor Day, "America the Beautiful" and "Dawn they Slept" will be performed as a salute to our veterans. The military honor guard will be present.

The concert is made possible in part by a grant from the Atlantic County Office of Cultural Heritage Affairs and commissioned by the South Jersey Area Wind Ensemble (SJAWE).
