POLICY

Posthumous Degree
Policy Administrator: Provost Board of Trustees

POLICY:

A degree may be awarded posthumously under the following conditions:

1. The student was enrolled in his or her final term, or otherwise nearing completion of his or her graduation requirements.
2. The program in which the student was enrolled, as well as the Office of the Provost, will agree to waive any remaining degree requirements.
3. The posthumous degree may be so noted in the commencement program but not on the actual diploma.
