Please see attached proposal. In short, the Pick 6 Challenge is a call to new students to attend at least 6 of the annual events that make Stockton a special place (see list of events at <a href="https://stockton.edu/student-development/pick-6-challenge.html">https://stockton.edu/student-development/pick-6-challenge.html</a>). Our goal was to have freshmen attend these events to experience the academic and community service opportunities of a college

campus, and enhance their feelings of connection and intellectual stimulation.
