STOCKTON UNIVERSITY ANNUALREPORFOR FY24 COMPASS FUNPDROJECT

PROJECT LEAL(055)R	Dr. Ian Bouie and Dr. Kimberly Dickerson
PROJECT TITLE:	Future Educators Get Inspired at the 2024 AERA Annual Meeting
DATE:	April 11-April 14, 2024

- x The boxes below expand as needed to accommo**date**notes. You may also include/submit appendices or attachments, if needed.
- x Email a copy of this completed form to

On Sunday, the final day of the conference presented my research at a roundtable session. Dean Dickerson and several members of the student group attended the session in support, but also enj hearing and learning from the other two presenters at the table.

attended the focus gro	oup, though four	committed to	attending.	In fairness,	one of the	tweethonoways	
later found out that she	e was ill and cou	ld not attend.	These are	lessons lea	rned for if I	ever do	som
like this again.							

Pleasexplain and provideany University Relations & Marketin(URM) coverage of your project (social media posts, press releases, photos, videos,) etcclude these items as attachments or paste them at the bottom of this document.

We worked with URM on a photoshoot a week prior to our depart@e. Thursday, April 4, we hosted an orientation for our trip in the Campus Center. Before starting the meetinegphotographer took group photos of the studentand Dr. Bouie, as well as individual photodRM also created a logo for Future Educators Get Inspired which we later used-shrifts we ordered for the group. Lastly, upon o return an article was written about our experience, which included photos from our trip, and quotes from Dr. Bouie, and two students, Ivanna Taveras and Nana Oduro. I have attached the photos at at the bottom of the page, while the article can be found at the following link: https://stockton.edu/news/2024/aeraconferencefind-inspiration.html We also plano haveour students presentabout their AERA tript an upcoming Student Affairs Leadership Council Meeting. These are held once a month, usually on a Tuesday from 2 pm to 4 would put our group on the agenda for15-to-20-minute presentation with Q&A. Ideally, I would like this to be done this summer, but based on schedule, it may have to wait until the Fall.

Are you recommending the cointuation of this project? If so

- x What are the next action steps you foresee or recommend?
- x What are the expected budget requirements going forward?
- x Please identify the program, department, or division should be working with to secure continuation of funding for your project

[Note: continuation proposalmust be approved and incorporated into the appropriate budget procest This report will not constitute as a request for permanent funding.

I am recommending the continuation of this project. Although I onlyapplied for a one-year pilot project, this]• \hat{A} CE š Z ‰ μ CE • μ] v P (} CERA AFE is al Queet Egi.• Stude into the average of the average

As far as budget expectations, here is what would be needed for next year as it pertains to to to the 2025 AERA Annual Meeting in Denver:

- x AERA Undergraduate Student Membership at \$45 eachight students: \$360
- x AERA Student Registration Rate at \$180 eachight students:\$1440
- x Plane ticketsat \$451 each foeight students:\$3600.
- x Hotel Stay for 4 nights at \$300er nightfor four rooms:\$4800.
- x Lyft/Taxis \$300

The budget foreight students, as of right now, would \$\$\$ 0,500.

Ideally, we would work with Academic Achievement Programes, School of Education the Office of the Vice President of Student Affairs and Stockton University Foundation for funding and fundraising. Or the postassessments, students indicated that they would be willing to help fundraise so they could pursue this endeavor again. Giving Day could be onderful time to have students do video testimonials and get their message out to potential donors to weith travel to Denver. I could also collaborate with my colleagues in the other aforementioned areas to see if any additional furned be secured for the 2025 AERA Annual Meeting.
