Agenda:

The Student Affairs Committee is excited to be back and is looking forward to a new year! This month we organized a tabling day in order to raise awareness for our new online form, where students can go to voice any concerns or issues they may be having, without trying to find a Student Senator.

The Student Affairs Committee made a survey that will soon be sent out to the Student Body to assess the needs for more dining options on the weekends and more extended hours. We also made a survey regarding school spirit, and that will be given out at a tabling session in the coming weeks.
